

MunEDA User Group Meeting 2006

Dear WiCkeD User,

We cordially invite you to come to our MunEDA User Group Meeting 2006 in Munich. Goal of the event is the intensive exchange of experience by industrial users of MunEDA's DFM-DFY software WiCkeD. We are very pleased to have gained excellent speakers and contributions for this User Group Meeting. All speakers will present circuit optimization and application cases related to WiCkeD. After each talk and during the conference there is enough opportunity for discussions. We hope you will enjoy the conference and get lots of benefits of it for your own work and projects.

- 10.00 – 10.30 Welcome & What's new**
Andreas Ripp, MunEDA VP Sales & Marketing
- 10.30 – 11.00 Analysis and optimization of a sense amplifier in 130 nm technology with WiCkeD**
Carlo Roma, ST Microelectronics Srl, Agrate, Italy
- 11.00 – 11.30 Reuse of Circuit Topologies using WiCkeD**
Dr. Volker Boos, IMMS gGmbH, Erfurt, Germany
- 11.30 – 12.00 Technical Discussion**
- 12.00 – 13.00 Lunch**
- 13.00 – 13.45 WiCkeD 5.0 - new features & functionalities**
Dr. Michael Pronath, MunEDA VP Products & Solutions
- 13.45 – 14.15 6T for Embedded SRAM - six sigma design with WiCkeD**
Thomas Fischer, Infineon Technologies AG-TUM, Munich, Germany
- 14.15 – 14.30 Coffee break**
- 14.30 – 15.00 Yield Optimization of a Power-on Reset Cell and Experimental Verification**
Oliver Eisenberger, austriamicrosystems AG, Unterpremstätten, Austria
- 15.00 – 15.30 Circuit Design-for-Yield (DFY) for a 110 dB Op-Amp for Automotive and Sensor Applications**
Dr. Udo Sobe, Karl-Heinz Roach, ZMD AG, Dresden, Germany
- 15.30 – 16.00 Wrap up & Discussion**

Social Event: Transfer to MunEDA Event at Munich Oktoberfest

We are very looking forward to welcome you to our MunEDA User Group Meeting 2006 in Munich.

Your MunEDA Team

Andreas Ripp
Vice President Sales & Marketing

Dr. Michael Pronath
Vice President Products & Solutions

Registration, arrival and accommodation**Registration:**

For registration to the MunEDA User Group Meeting 2006, please use the form at the bottom of this sheet and send us your reply until September 1st 2006 via email or per fax to:

- fax +49 - 89 - 930 86 407
- email info@muneda.com

Arrival per car:

The best way to „Hilton City“ you will find with the following link.

http://www.hilton.de/property/1111_GettingToHotelName.jsp?hid=11036387

Arrival per train:

Train-map from Munich, your destination is „Rosenheimer Platz“ near railway station east.
